MEMORANDUM FOR: DD/OP/PA&E

FROM:

[REDACTED]
C/HRPS

SUBJECT: Overtime Requirement for
November 1983 Move - HRPS

This memorandum provides notification that three HRPS employees will be required to perform overtime work, as necessary, in conjunction with our move to [REDACTED] in November/December 1983. Two of the employees, [REDACTED] and [REDACTED] (GS-07), are non-exempt from FLSA coverage and would be authorized payment for overtime work. However, one employee, [REDACTED] (GS-11 Operations Research Analyst), is exempt from FLSA coverage, and I request approval to pay him for all directed overtime performed during the move, waiving the usual 8-hour overtime donation.
